 Napa Senior Center / 1500 Jefferson St., Napa

September Meeting

First off, let me pass on **Joe Mays'** apology for not being able to make the meeting. Unfortunately he was detained at work. As I always say, a paycheck is more important to your family than a voluntary act. Joe has agreed to come to our October meeting so if you missed the September meeting you get another chance.

In Joe's absence there was a lively Q&A session in which several attendees got answers to their computer questions as well as other valuable information.

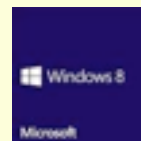

Unfortunately I was unable to attend due to some medical procedures done to my eyes earlier in the day.

Thanks to **Julie Jerome** for the time spent and effort made in arranging for Joe to come and talk with us. Even though he could not make the September meeting, Julie arranged for him to come in October.

I hope to "see" all of you there. Take Care, Ron

October Meeting

Windows 8

Joe Mays
 Assistant Manager
Staples

The October 16, 2013 General Meeting will feature **Joe Mays** who will discuss and demonstrate **Windows 8**. Joe will do some comparison of Win 8 with Win XP and others.

Some of you diehards who are still holding on to XP might find it is time to move on and to buy a new computer.

Joe's presentation will begin at 7PM so don't be late. If we have time after we will have our Q&A session and for members there is always the drawing. Remember there is still time to nominate board members and to volunteer yourself.
