NVPCUG is once again a 501 (c) (3) Public Charity

As of January 19, 2014 NVPCUG has been re-instated under Revenue Procedure 2014-11 the effective date is May 15, 2011.

I will work as hard as I can to insure we have programs that will be of interest and value for anyone who wishes to attend. We will start in

February with **Will Dipman**, Operations Manager of **CE Group** (Computer Engineering Group).

In coming months we will have representatives from Napa Valley Computers, Valley Tech Solutions, and others.

I want to thank **Dick** and **Sandy Peterson** for once again opening their Christmas house for our annual Holiday Party and Pot Luck dinner. Everyone seemed to have a great deal of fun and the food was delicious. I also thank **Dianne Prior** for her wonderful job of planning and co-ordinating this function. Dianne has planned and co-ordinated our annual Holiday Parties as well as our summer Picnics for several years now and we would be lost without her.

As you should know by now I am open to suggestions from anyone who has any idea how we can improve the NVPCUG. Just drop me an e-mail at President@nvpcug.org or Webmaster@nvpcug.org so take care and I will see you at the February meeting.
